Congratulations

Year of Mercy- May- Burying The Dead

The Corporal Work of Mercy, Bury the Dead, calls us to treat the dead "with respect and charity, in faith and hope of the Resurrection". This is what our focus for May will be. As community members we have been called to mourn and pray for the dead, entrust them to God, and comfort their loved ones. Examples of this could be taking a family member to visit grave sites, praying for those that have passed, support or volunteer at a hospice, supply a dish for a funeral luncheon, be faithful about attending wakes, visitations and funerals of family and friends. At our campuses, students will receive a flower in which they can write names of loved ones on or draw/paste pictures of their loved ones that have passed away. These flowers will be hung creating a garden at each campus. During morning announcements we will continue to pray for those whom have been placed in our garden.

We Bury the Dead
