## **Kovaleski's "Key" Notes**

Dear Parents:

Many years ago, Pope Benedict had a question and answer session with a group of First Communicants. When the Pope was asked about his memories of his First Communion, his response contained the following: "I understood that Jesus had entered my heart, he had actually visited me. And with Jesus, God himself was with me. And I realized that this is a gift of love that is truly worth more than all other things that life can give."

Holy Communion is an incredible gift and the amazing thing about the gift is that it can be unwrapped time and time again in our lives, and every time we do this, the gift will be brand new. Each new unwrapping gives us the opportunity to gain a better understanding of what the gift actually is.

In 2003, Pope John Paul II published a letter on the Eucharist and gave a clear insight into the nature of the gift: "We talk of the Real Presence of Jesus in the Eucharist, because Jesus' presence in the Eucharist is a presence in the fullest sense, where Jesus is wholly and entirely present. The Consecration at Mass changes the whole substance of the bread into the substance

of the Body of Christ and the whole substance of the wine into the substance of his Blood.”  
Adapted version.

The people who lived and associated with Jesus, had the comfort and support of his actual presence. Jesus foresaw the need for his presence to remain with them so they could carry on with his mission and so, the events of the Last Supper. For us, who have so many distractions in life, we might sometimes forget about God, forget about the Eucharist, or forget to pray each day. First Communion day for a family member and for us as a school community, can be a time of renewal for all of us, perhaps a time to unwrap the gift again and discover an understanding that is truly relevant to where we are in life. The Eucharist is the Sacrament of God’s love and love is something that all of us can use plenty of.

**Jesus, we ask you to bless these children who have or are to receive you in Communion for the first time. We ask you to bless each one of us, as well, so that we might have a renewed understanding of your gift of love. Amen.**
