Discus	LUKE HUBLEY	2015	121' 10- 1/2"	RACHEL GINN	2017	76'6"

The above records are current through the 2017 season. A time designated as (FAT) indicates time was recorded using fully automatic timing technology. When comparing a fully automatic time to a hand held time an upward adjustment is made to the hand held time as follows: .24 seconds is added for distances up to 200 meters and .14 is added for 400 meters. The hand held times shown in these records do not include these adjustments.
