Creating a Safe Environment

Know Your Kids' School

Parents and guardians have the primary responsibility for protecting their children from all potential harm. When choosing a nursery, daycare center, or school, parents should inspect the building and grounds to make sure there are no areas where children play or work that are "off limits" to parents. Such facilities should have a policy that welcomes parents to visit the center or school without prior appointment. (Source: Philip J. Lazarus, "Characteristics of Safe and Responsive Schools," VIRTUS, January 14, 2002.)

Athletics

The Elizabeth Seton Volleyball Committee is looking for volunteers to assist with planning and running the tournament during the Seton week in late October/early November. The tournament hosts 84 teams (over 800 athletes) and serves as the largest fundraiser for our athletic program each year. We are also in need of a Division Director to work with the Tournament Director to assist with running one of the division invites and providing information to coaches. Volunteers do not need to be volleyball experts and can be a parent of any age Waukesha Catholic student! Please contact Bill Serb, Tournament Director (SetonDirector@gmail.com) for more information if interested in helping with either the Committee or as a Division Director.
